Evaluating Standards for Fairfax Heritage Award Submissions

Date: _____

Title of the award: _____

Name of the author: _____

Title of the work: _____

Name of the reviewer: _____

Please consider the following standards in your evaluation. Attach this document as a cover sheet for your comments.

1. Does the project meet the standards stated in the rules?

2. Does the project meet the page requirements?

3. Is the text adequately supported by documentation including both primary and secondary sources?

4. Is the material relevant to Fairfax County?

5. Are the observations made and the conclusions drawn accurate and reasonable?

6. Is the material well organized?

7. Is the research thorough?

8. Does this project contribute new insight about and/or new understanding of life in Fairfax County?

9. Does this project meet additional standard(s) that you think applicable?

10. Is this project worthy of the award sought either on its own merit or in the light of other submissions for this award? If there is more than one submission for this award, please rank each in order of merit.
